The object of the Act is to impose or vary various fees, rates, licenses and charges for various services provided by the County,

Part I provides for preliminary provisions.

Part II provides for fees and charges payable, rates, licenses and taxes.

Part III provides for payment to the County to be made through an authorized channel. It requires receipt to be issued for all payments made to the County and provides for an offence for those who contravene the provisions of this part.

Part IV provides for offences and general penalties for failure to comply with any provision of the Act. It also provides for offences by the staff of the County including the penalty for the offences.

Part V provides for Miscellaneous provisions as savings for the revenue/charges that is currently being collected/charged by the County until the laws on such fees, charges, permit or rent are expressly repealed or a law is enacted to provide for them. It also provides for savings of directions, resolutions or authorization that were issued by the former Municipal Councils, Town Councils and County Councils before the County Government came into being.

These directions, resolutions or authorizations relate to financial management to ensure the financial base of the County is not affected by the enactment of this law.

The enactment of this Bill shall not occasion additional expenditure of public funds that have been provided for in the budget estimate.
