COMMUNICATION FROM THE CHAIR

“Honorable Members,

I welcome you back to our Sittings after attending a training conducted by the Centre for Parliamentary Studies and Training (CPST) on County Integrated Development Plan (CIDP) scrutiny, Budget Analysis and Approvals.

The CIDP is a core planning document in County development and honorable Members are expected to play a key role in its development and implementation. The five-year term plan outlines county development priorities and strategies as well as county flagship/transformative projects.

The importance of a CIDP cannot be overstated as it provides a basis for the development of Annual Development Plans and Budget Estimates. The need for the training was informed by the fact that all honorable Members should be conversant with budget review and analysis.

In this regard therefore, those Members who have not submitted their ADP proposals for 2018/19 Financial Year should do so in the format provided by the Budget & Appropriations Committee Chairman. This is necessary as the ADP guides preparation of the County Fiscal Strategy Paper (CFSP) which is expected to be presented to this Assembly by 28th February, 2018.

Honorable Members

I would also like to inform you that we are resuming routine games practice after a much deserved break since the KICOSCA competition in Machakos County. The field practice will take place every Tuesday and Thursday at Sironga Community Playground at 4pm. All those that have any Assembly uniform or games kit are also requested to return the same to the Serjeant-at-arms' Office.

I wish you well in your continued service.

I Thank You.”

SPEAKER OF THE COUNTY ASSEMBLY OF NYAMIRA
