COMMUNICATION FROM THE CHAIR ON RESUMPTION FROM LONG RECESS

“Honorable Members

I take this earliest opportunity to most sincerely welcome you back from the long recess. I hope you have had ample time to interact with your constituents and are ready to resume regular House Sitzings.

We are glad that as a County Assembly God has been gracious to us as an institution for the past two years. As we embark on the third year of service to the people of Nyamira we pray for His continued grace and guidance.

It is worth to note that though the first two years of the Second Assembly have not been without a few incidences and setbacks, the gains achieved so far remarkably outweigh the setbacks. We have covered some legislative, infrastructural and human resource development strides which I have enumerated in some separate publication that I shared with you.

Honorable Members

As your Speaker and Chairman of the County Assembly Service Board, I have always endeavored to see that we move in the right direction through unity of purpose. You can bear me witness that my decisions and guidance to this House have been a product of immense consultation with you. This is guided by the Principle of inclusivity. We will always be open to consultation in an effort to do what is best for this institution and Nyamira County.

Honorable Members

As I welcome you back, I want to thank you immensely for your continued support and request you to extend the same as we move forward. Let us pick up and dispense with all pending House matters as we look forward to more business.

Our effectiveness as a legislature is measured by the quality of legislative products that come out of this House and the resultant impact on the people whose trust is held by this Assembly.

I wish you the best and look forward to a fruitful Third Part of the Third Session.

I thank you.”

SPEAKER OF THE COUNTY ASSEMBLY OF NYAMIRA
