COMMUNICATION FROM THE CHAIR

“Honorable Members,

The Nyamira County Assembly Standing Orders 40, 41 and 80 provide Honorable Members an opportunity to request the Speaker to allow them to issue statements of general or personal nature. With the permission of the Speaker, the Members can also request for Statements from Committee Chairpersons with regard to matters applicable to their respective committees.

As the Speaker may deem fit, having made consideration of the nature of a particular matter raised by any Member, he then will direct on when such a response should be tabled in the House. This is standard parliamentary procedure.

Honorable Members,

As you may recall on 5th June, 2018 the Chairperson Committee on Public Service Management expressed the Committee’s wish to summon the County Executive Committee Member in charge of the Department of Public Service Management. This was occasioned by protracted delay in responding to a matter raised on the Floor of this honorable House in relation to staff establishment in the County.

In my ruling I directed as follows;

Having considered related instances cutting across several other departments, it was my well-considered view that there was what would be referred to as a deliberate move either to derail the conduct of business in this House or sabotage it altogether.

Therefore, the said Executive Committee Member was asked to appear before the Committee of the Whole House so that all honorable Members can have a chance to get his response on these delays. This was to take place on 19th June, 2018 which coincidentally was the day Public Participation on budget estimates was taking place.

Honorable Members,

By this Communication you are all invited to attend this important meeting tomorrow (Thursday 21st June, 2018) at the Assembly Chamber starting 10:00a.m. Kindly purpose to attend.

I Thank You.”
