

MOTION ON 94 ENFORCEMENT OFFICERS AND SUPPORT STAFF

Aware that the above (94) ninety four officers who were employed and issued with letters have not reported to work since November 2014.

Further aware that the County Government of Nyamira requires enforcement officers in order to carry out its mandate of collecting revenue and demolishing illegal structures in various parts of our County, I urge this honorable house to adopt the list of the ninety four officers with or without amendment.
