

**NOTICE OF MOTION ON APPOINTMENT OF DAY CARE SERVICE PROVIDERS  
IN NYAMIRA COUNTY**

Mr. Speaker Sir, I wish to give a notice of a motion on appointment of day care service providers in Nyamira County.

Aware that the County Government of Nyamira appointed day care service providers in the month of May 2014 to various schools in the County of Nyamira and more are to be employed in this financial year, who are of great importance to our small children,

Aware that, they are poorly paid up to around 10,000/= and that they serve on contract terms , further aware that the contracts are renewable subject to satisfactory conduct and performance and most of them are of advanced age and that they have been teaching in those schools for a long time.

Mr. Speaker Sir, Further aware that, for one to be pensionable one should work for over ten years in service, it seems that the County Government of Nyamira wants to waste these important human resources by contracting these teachers who put a very important foundation to our young kids.

Mr. Speaker Sir, I hereby request this Honorable House to compel the County Government of Nyamira to;

1. Develop a policy governing Day Care Services in the County.

I beg to move.

Hon. Andrew Joseph Magangi.

Deputy Speaker, MCA Gachuba ward
