

NOTICE OF MOTION ON DRUG AND ALCOHOL ABUSE

Mr. Speaker Sir, I wish to give a notice of a motion on drug abuse in the County.

Aware that, Honorable members know to what extent alcohol and drug abuse has destroyed our youth and families within our community, aware that in some counties programs have been put in place to fight this menace,

Further aware that in our 2015/2016 budget we set aside some funds for sensitization of the people on the dangers of drug and alcohol abuse.

I hereby urge this Honorable House, to compel the County Government of Nyamira to implement the programs through the respective departments of Health and Youth, Sports and Social cultural services. This is to avoid the situations such as those read in other counties where people are dying because of drug abuse.

Mr. Speaker Sir, I beg to move.

Hon. Wilkista Onsando
Vice Chair – Water & Environment Committee
